Dear sir,

## **RE: DEGREE CERTIFICATE.**

I **AZAMUKE DENISH** with registration number: **16/U/171** was awarded a Bachelor of Science degree (Second Class Honours - Upper division) at the 70<sup>th</sup> Congregation held on 15<sup>th</sup> January, 2020 at Makerere University. I am currently doing my masters in Mathematical Sciences at the African Institute for Mathematical Sciences - Rwanda.

Am therefore seeking for my **degree certificate** or a **further letter** that can be equated to the Rwandan educational standards in order to fulfill the requirements for my masters degree.

Your response is highly appreciated and will see me finish my masters' studies in time.
